

Drill bit SDS+ 12X450 4-CUT

SORMAT KODU 9640051792

Low vibration, high precision and smooth drilling experience

- Professional quality 4-cutter drill bit with SDS+ shank especially for reinforced concrete and hard stone.
- One-piece, solid carbide tip with 4 cutting edges guarantee precise, round holes perfect for safe anchoring.
- Optimized flute core strength ensures low vibration performance when drilling.
- Due to optimum tip symmetry the bit is less likely to seize up on hitting reinforced steel.
- Economical and long-lasting. Will drill up to 50 % more holes than ordinary rotary hammer drill bits.

TEMEL MALZEMELER

AYRICA ŞUNLAR İÇİN DE UYGUNDUR

- Cracked concrete
- Hollow-core slab
- Natural stone
- Non-cracked concrete

Teknik veri

KURULUM DETAYLARI

Boyut	12
Uzunluk (L)	450

ÜRÜNE GENEL BAKIŞ

Diğer kodlar	/
Malzeme	Steel
Paketler	adet: 1 / dış kutu: 30
Ağırlık	226.0 kg / 1000

KURULUM DETAYLARI

Etkili delme derinliği	400
